GOVERNMENT COLLEGE OF ENGINEERING, AURANGABAD

HISTORY:

The institute has been established in 1960 to meet the growing demand for technical man power in the state of Maharashtra. The Government College of Engineering, Aurangabad is one of the renowned institutes in Maharashtra State. This is the oldest technical institute in Marathwada region of Maharashtra state. Its establishment has fulfilled the aspirations of people of Marathwada region. Initially the institute offered UG programmes in three core branches of engineering viz. Civil, Mechanical and Electrical, with intake capacity of 60 students per branch, leading to Bachelors degree of Engineering in respective disciplines. Subsequently additional UG programmes such as Electronics and Telecommunications, Computer Science and engineering (1986) and Information Technology (2000), have been added. Post-graduate programmes leading to Masters degree in Engineering have been introduced in 1986. Institute is functioning as an autonomous Institute affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad from academic year 2006-07. The University, State government and UGC have conferred the status of autonomous college to all U.G., P.G. and Ph.D. programmes of the institute.

THE INSTITUTE:

Institute is situated in the heart of Aurangabad city at about 1 km from railway station, with separate buildings for various programme Departments, Library, and Auditorium, Workshop, Hostels and Office. Auditorium of the institute has a seating capacity for about 1000 persons. The institute has well furnished and equipped Seminar and conference facilities. The institute offers hostel facilities to male students (400) and female students (120). With the funding supports from Govt. of Maharashtra, World Bank assisted TEQIP\ Program and AICTE; laboratories are equipped with modern equipments and machinery to enhance practical knowledge of the students. Each department has separate computer laboratory having adequate numbers of PCs with internet gateway connectivity. Central library has a seating capacity for 200 readers with separate seating arrangement for faculty members. There are more than 67435 text and reference books and bound volumes of technical journals. College has also subscribed to online journals of high repute. Institute has very senior and experienced teaching faculty and supporting staff devoted to teaching and students welfare. Faculty is actively involved in research, development, testing, consultancy and publication of research papers and books.
