**Description:**

Ideathon 3.0 is a platform for students to develop their business ideas and applicable solutions. It was organised by AnkurGECA Incubation Centre Foundation supported by Government College of Engineering, Aurangabad. The competition got great response from the students. In all 68 teams registered out of which 44 teams submitted their ideas. Total 3 rounds were conducted. At the end of round 2, 28 teams were selected for the final round and were asked to submit their final videos and presentations. There were 13 final teams who submitted videos and presentations. A online final round was conducted on Google meet in the presence of esteemed judges and winners were awarded with the cash prizes.

**Round 1:**

The competition was launched on 21st November 2022 and the last date of application submission was 8<sup>th</sup> December 2022. Participants submitted their ideas in the one-page format as per the rule book of Ideathon 3.0. The deadline for submitting the idea proposal was 8<sup>th</sup> December 2022. The first round of submissions was evaluated by the team at AICF and the result was declared on 18<sup>th</sup> December 2022. A total of 28 teams were shortlisted for round 2.

### Round 2:

It was a PPT presentation round of teams where participants submitted slides and the video of themselves while presenting it. Participants submitted PPT and 5 min video of their presentation as per the described format in the ruleset of round 2. The deadline for submitting the ppt and video was 10<sup>th</sup> January 2023. Out of 28, 22 teams submitted the data and participated in round 2. The second round of submissions was evaluated by the director of Incubation Centre and Faculty Coordinators of AICF

### Round 3:

In this round, all 22 teams were given a chance to send the final ppt and video again. The deadline for this was 19th February 2023. Out of 22, 13 teams sent the ppt and video. These 13 teams were selected for presenting their ideas to the jury members. The round was conducted online on GoogleMeet. Teams were given 5 mins to present the ppt. After that, there was a Q&A round. All the jury members evaluated the teams and finalized the winner.

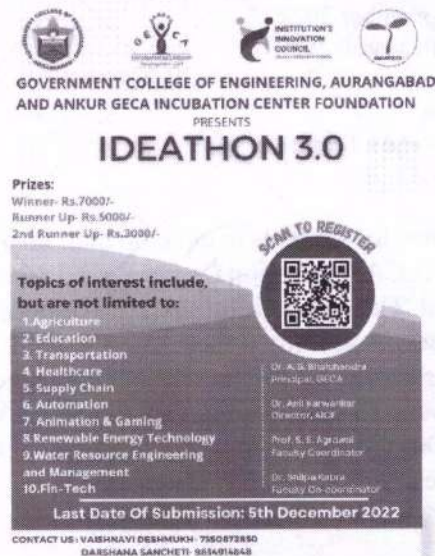

Results: The results were declared on 6<sup>th</sup> March 2023. The winners of the competition are as follows:

**First - Team Kuponz**

**Second - Team Adroit**

**Third - Team Biotech BBL**
