

## Design Art and Craft Student Club Activities Year 2023-24

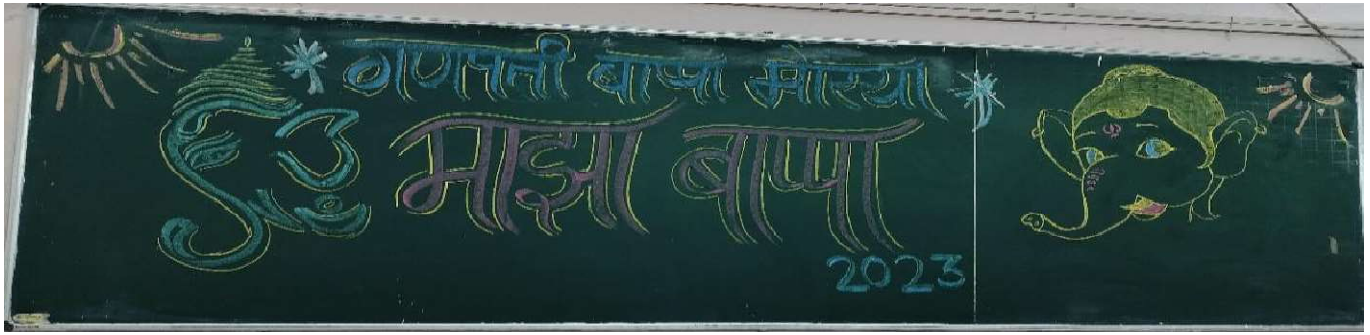

### 1. Campus decoration for annual gathering, Antarang 2024

The campus decoration for annual gathering **ANTRANG 2024** is done by the **Design Art and Craft Club**, during February 25, 2024 to February 29, 2024. The decoration efforts were aimed at creating an immersive and visually captivating environment for ANTRANG 2024. Various thematic elements were incorporated to reflect the spirit and theme of the event. The Design Art and Craft Club meticulously planned and executed the decoration work, ensuring that it aligned with the overall ambiance desired for the gathering.

## 2. Murti making

This is workshop of making eco friendly Ganesh murti conducted by student club members of different clubs along with design art and craft club. Participants have to complete murti making task within three hours and prize distributed to selected five participants. Student's response for this activity is very good and more than 100 groups participated.

## 3. Wall painting

In wall painting activity, college building walls are painted with beautiful drawings by students. Students worked for hours and enjoyed painting of different types.
