

SAT Report 2023-2024

The **Student Alumni Team (SAT)** at Government Engineering College Aurangabad, Chhatrapati Sambhajinagar serves as a vital platform **bridging** the talents of budding students with esteemed **alumni**. Committed to facilitating connections and extending support, SAT aims to empower students both academically and personally, with a focus on providing deserving individuals the resources they need to excel.

Under the adept leadership of President AAGECA, **Shri Shrikant Umarikar**, and faculty advisor **Prof. Dhote**, SAT is dedicated to maximizing its impact on students' lives. Their guidance ensures that SAT operates efficiently and effectively in achieving its objectives. **Vishant Charak** is the head of SAT, driving initiatives to connect students and alumni effectively.

SAT's primary objective is to provide deserving students with the necessary resources to excel. This is achieved through a range of impactful activities, including a **scholarship program**, organizing the **Annual Alumni Meet**, and the **Rare Share Program**. The team also assists various student clubs in securing budgets and sponsorships from alumni and felicitates students who excel academically and personally.

Events conducted by the Student Alumni Team:

Annual Alumni Meet 2024

Date: March 10, 2024

Venue: Government Engineering College Aurangabad, Chhatrapati Sambhajinagar

The 10th of March 2024 witnessed a heartwarming reunion at the Government Engineering College Aurangabad, Chhatrapati Sambhaji Nagar. The much-anticipated Alumni Meet unfolded not just as a reunion, but as a vibrant tapestry woven from shared memories, professional exchange, and the celebration of remarkable achievements.

As dusk settled in, anticipation crackled in the air at 6:00 PM. The event was graced by the esteemed presence of chief guests, **Mr. N.D. Deshmukh** and **Mr. Jayant Deo**. Joining them were **Mr. Shrikant Umrikar**, the esteemed President of the Alumni Association (AAGECA), **Dr. Sanjay Dambhare**, the respected Principal of the college, the Vice President **Dr. Uttam Kalwane** and the Secretary **Dr. Sanjay Shinde**.

The event organizers meticulously crafted a program that fostered knowledge exchange and professional networking. Panel discussions, featuring successful alumni from various engineering disciplines, took centre stage. These discussions served as a bridge between the theoretical knowledge acquired in classrooms and the practical realities of the engineering world. Alumni shared their career journeys, the challenges they faced, and the valuable lessons learned, offering practical guidance and inspiration to the next generation of engineers.

The college brimmed with pride as they unveiled the accomplishments of their student body. Distinguished graduates, who had made significant marks in their respective fields, were presented with awards. The felicitation ceremony specifically recognized the remarkable

achievements of several individuals and teams. **Pritam Nikumbh**, a final year student, was the first to be honoured as the college's Best Outgoing Student. Following him was **Mayuri Sangekar**, another exceptional student, who was acknowledged as the Best Outgoing Student of her third year. **Team Aryans'** impressive performance in the Baja SAE competition was duly recognized, while **Team Cyberotics'** victories in both Taksha Antra and Robocon competitions were met with resounding cheers. **Team Kalarpan** members were also lauded for their stellar performance in Firodia Karandak and Purushottam Karandak. **Mr. Bhushan Borde Patil** and his team were then recognized for their exceptional performance in the Taksha Antra competition, further amplifying the evening's spirit of achievement. Finally, to ensure a complete recognition of all contributors, the ceremony concluded with the felicitation of **Mr. Vishant Charak**, head of the student-alumni team, for his exceptional contribution.

The Alumni Meet provided a platform for the college to showcase its advancements and future endeavours alumni meet buzzed with activity as each club proudly showcased its achievements and contributions. Alumni weren't just guests; they were seen as valuable stakeholders whose feedback and guidance are crucial for the college's continued progress.

A cultural program featuring captivating performances by students and alumni added a touch of festivity to the occasion. **Nandini Khandarey**, the cultural head of SAT, along with her group, presented an enchanting Ganesh Vandana, setting a tone of traditional elegance. The audience was further enthralled by diverse performances – soulful singing by **Gaurangi** and **Ayush**, **Riddhi Lakde's** mesmerizing renditions, a graceful Bharatnatyam dance by **Shravani**, and a unique fusion of mouth organ melodies and beatboxing by **Akshay** and **Nagsen**. **Soham's** soulful bansuri performance added a melodious touch, and Kalapana's energetic deepotsav dance infused the event with vibrant cultural richness.

The Annual Alumni Meet 2024 transcended the confines of a simple reunion. It served as a powerful reminder of the enduring bonds that are forged within the college walls.

SAT Team Inauguration 2023

Date: October 23, 2023

Venue: IT Seminar Hall, Government Engineering College Aurangabad, Chhatrapati Sambhajinagar

The inaugural ceremony of the Student Alumni Team (SAT) 2023-2024 was held on October 23, 2023, at the IT Seminar Hall of Government Engineering College, Aurangabad.

Dr. A. S. Bhalachandra, the former Principal, graced the occasion as the Chief Guest, lending her invaluable insights to the gathering. Alongside her were esteemed guests including Mr. Shrikant Umarikar, President of AAGECA, Mr. Vyanktesh Dhote, Dr. Uttam Kalwane, and Mr. S.M. Shinde, all of whom symbolized the enduring bond between the college and its alumni.

A compelling PowerPoint presentation unveiled the aspirations and plans of SAT 2023-2024, showcasing their vision for the year ahead. The team members, embodying the spirit of leadership and innovation, were honored for their dedication, while being encouraged to strive for excellence.

Beyond the formalities, the ceremony provided a platform for networking and camaraderie, with refreshments fostering interactions among attendees, paving the way for fruitful collaborations.

In essence, the inaugural ceremony marked a momentous beginning, signaling the harmonious convergence of past and present, and setting the stage for a future brimming with promise and possibility.

Umang

Date: September 9, 2023

Venue: Government Engineering College Aurangabad, Chhatrapati Sambhajnagar

On September 9, 2023, our college hosted the vibrant and spiritually enriching event titled "**Umang**". Organized by the Student Alumni Team in conjunction with **AAGECA**, **EVOLVE CLUB**, and **Kalarpan**, the program was a celebration of culture and spirituality that left a lasting impact on all attendees.

The event featured a captivating speech by **Dr. Rohinipriya Das**, whose guidance and inspiring words set the tone for the evening. Coinciding with **Gokulashtami**, Umang

showcased a myriad of cultural expressions, including mesmerizing solo and group performances in dance and music by the talented students of Kalarpan.

Furthermore, the interaction between the students and the esteemed guest, Dr. Rohinipriya Das, added depth to the program, providing an enriching experience for everyone involved. Notably, the presence of **Atharv Kulkarni** from Kalarpan highlighted the strong bond between the alumni and current students, fostering a sense of community and continuity within the college.

In conclusion, Umang was a testament to the creativity, talent, and collaborative spirit of our college community. Through the efforts of the Student Alumni Team and the support of our partners, the event succeeded in creating a memorable and uplifting experience for all participants.

Alumni Meet Pune Chapter 2023

Date: September 4, 2023

Venue: Government Engineering College Aurangabad, Chhatrapati Sambhajnagar

The “Alumni Meet Pune Chapter 2023” was organized by Alumni Association Government Engineering College Aurangabad (AAGECA) in association with SAT on September 4, 2023 in the college premises. The event was a huge success as evident from the enthusiasm of the alumni.

The event commenced with the warm welcome of esteemed chief guests, Shri Jayant Dev (MCRC) and Shri B. M. Domkundwar, alongside the President, Mr. Shrikant Umrikar, Secretary, Dr. Sanjay Shinde, and Mr. Suresh Tandale at 12:00 pm. Mr. Shrikant Umrikar, President of AAGECA, underscored the significance of the event, followed by the felicitation of the guests of honor.

Dr. Sanjay Shinde, Secretary of AAGECA, shed light on the profound impact GECA has had on its students over the years, attributing much of this success to the generous contributions of the alumni.

The guests of honor, Shri Jayant Dev and Shri B. M. Domkundwar, imparted words of wisdom for the alumni, emphasizing the importance of carrying forward the values and traditions instilled during their time at the institution. Mr. Shrikant Umrikar shared his personal experiences and extended gratitude for the continuous support of the alumni.

Mr. Vishant Charak, Head of SAT, delivered a speech highlighting the alumni's contributions to SAT management and shared valuable insights on collaborative efforts to enhance student experiences within the institution.

Several alumni also took the stage, expressing their commitment to upholding the institution's values and making a positive impact on society.

The formal segment of the event concluded with a vote of thanks delivered by Mr. Shrikant Umrikar. Subsequently, attendees enjoyed a High Tea session, fostering further camaraderie and networking opportunities.

The success of the event can be attributed to the dedicated efforts of the Student Alumni Team (SAT) and the enthusiastic participation of all attendees.
