

# Firodia Karandak 2022

## Report

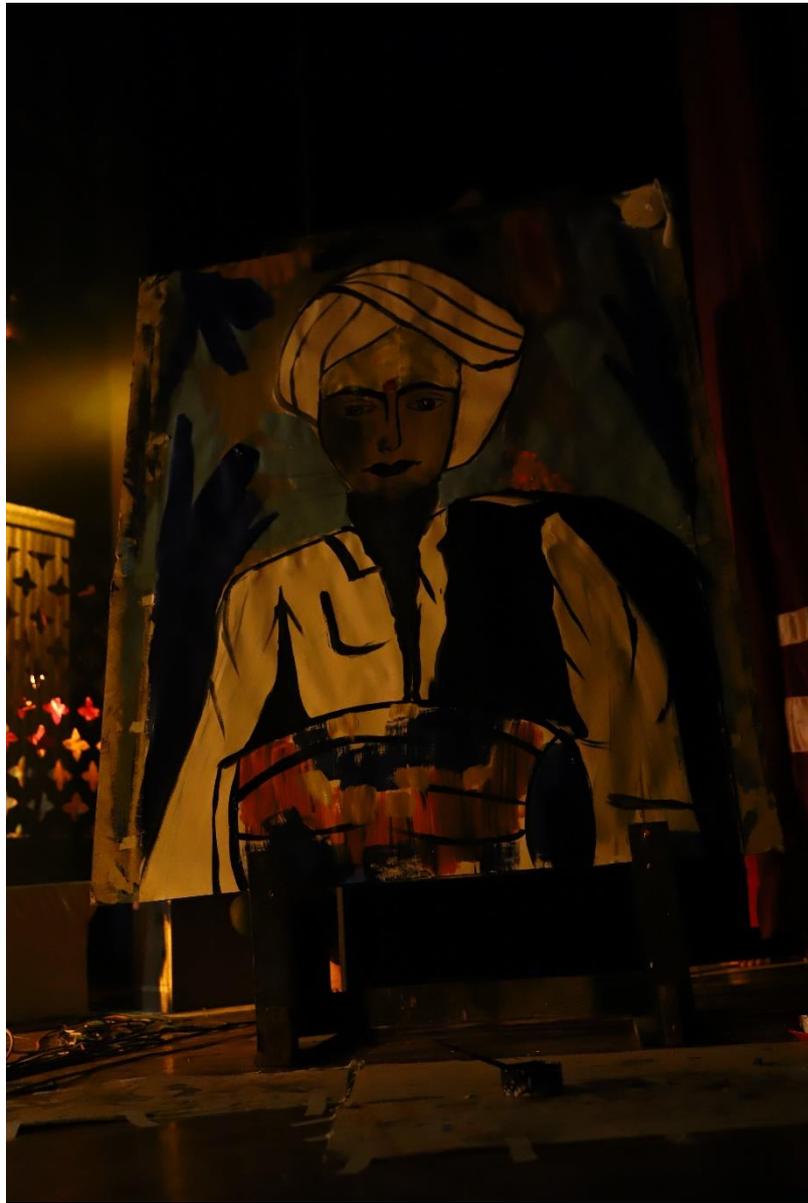

The year 2022 was a challenge for the whole team in the cultural field. Anyhow, all team members were new and inexperienced. We started our journey on 5<sup>th</sup> February and due to the competition being postponed a month later, we used the extra time to search and define our storyline.

Hence, we finalized our story as “Vithhal” inspired from ‘Varkari Sampraday’. The story revolves around the main character ‘Vithhal’ who is mute child having a poor financial background, but he is a devotee of Vithhal. Entire plot occurs in a village ‘Kandari’ during a ‘Saptah’. The plot depicts devotion, emotions, politics, rural customs, saptah rituals. Climax starts at the point where Appa, who is eldest and fearful person in the village; and the Sarpanch engage in a cold war led due to position.

In this journey we were working under the guidance of Honourable Principal Dr. U.J. Kahalekar sir, Dean of student activities and performing arts club faculty advisor Prof. Santosh Atipamulu sir , Prof. Rohini Pandit madam , Shree Chandrakant Naik sir , Shree Sunil Shastri sir.

Kalarpan secured a spot for next year's team to enter in the Primary level without having to clear Pre-primary round. Also, this year, the team bagged 4 individual prizes which are as follows:

1. Best Flutist – Vedang Kulkarni
2. Best Actor (consolation) – Nikhil Narwade
