## Research Policy

- 1. Postgraduate Research Stipend Support**  
To encourage quality research at the postgraduate level, three students from each PG programme receive a monthly stipend of ₹7,000.
- 2. Research Scholar Stipend Support**  
To promote full-time research, each Research Centre supports two full-time research scholars with a monthly stipend of ₹20,000.
- 3. Provision of QIP Ph.D. and M. Tech. Centres**  
The institution hosts recognized **Quality Improvement Programme (QIP)** centres for both Ph.D. and M. Tech., facilitating advanced research opportunities for faculty and students.
- 4. Partial Funding for Research Projects**  
Financial support is provided for research - oriented projects at the **Undergraduate, Postgraduate, and Doctoral** levels to strengthen research culture across all programmes.
- 5. Support for Paper Publications**  
Funding is available to encourage publication of research papers in reputed national and international conferences.
- 6. International Travel Support**  
A dedicated international travel policy supports faculty presenting research at conferences abroad.
- 7. Seed Money for Research Projects**  
Seed funding is offered to initiate innovative and high - potential research projects.
- 8. Support for Research - Oriented Club Activities**  
Student clubs engaged in research and innovation receive institutional support to conduct activities and projects.
- 9. Access to Similarity Checking Tools**  
Licensed plagiarism - detection software is made available to all researchers to ensure academic integrity.
- 10. Publication of Research Directory**  
The institution compiles and publishes a Research Directory for reference by all stakeholders, showcasing institutional research Competency.
- 11. Dnyan Parampara Lecture Series**  
Regular expert lectures are conducted under this series to expose students and faculty to emerging and advanced areas of knowledge.
- 12. Institutional Innovation Council (IIC)**  
A fully functional IIC promotes innovation, entrepreneurship, and research-driven initiatives on campus.
- 13. On Campus Incubation Centre – AnkurGECA**  
The Section 8 Company **AnkurGECA** serves as the official incubation centre, supporting start-ups and innovation-led research.
- 14. Industry Oriented Research through MoUs**  
Active collaborations and MoUs with industries facilitate applied research, consultancy, and technology development.
- 15. Internship through the Centre of Excellence TSSIP**  
Internal and external students can avail three to six months internship at the Centre of Excellence. The students availing the institute stipend are expected to work for the projects under this Centre.
