Aurangabad

Subject: Proposal of guidelines to transfer the credits for a **massive open online course (MOOC)** completed by students for its approval in Academic Council
Respected Madam,

Following guidelines are prepared to transfer the credits for A **massive open online course (MOOC)** completed by students for its approval in Academic Council. It is requested to keep this proposal in XXIVth Academic Council.

- 1) The MOOCS course should have almost similar title as compare to the course in the curriculum of the semester for which student is interested to register.
- 2) At least 80% of syllabus of curriculum shall be same in MOOC course. Faculty Advisor and head of the department should verify this.
- 3) The student should take permission of faculty advisor and head of the department to register for any MOOC course.
- 4) Award of grade in credit transfer will be equivalent to the grade/Marks earned in MOOC course. If a student is failed/absent in MOOC examination, he/she may have to re-register for the MOOC course, if he/she wishes. Otherwise, he/she may have to register for the institute course as and when it is offered in the institute.
- 5) The list of students who have registered to the MOOC courses shall be approved in Board of Studies and shall be kept in Academic Council for information.
- 6) The data of such students shall be maintained in the concerned department and with Controller of Examination.
- 7) The MOOC platforms to be considered for the proposal are NPTEL, Coursera, and SWAYAM

(Dr. D. G. Regulwar)
Dean (Academics)

Approved in XXIVth Academic
Council, Dated 23/07/2022
