### Action Taken Report

1. Revising of syllabus: All departments shall frame structure and syllabus to enter industrial needs as per NEP 2020. Value of few courses should be allow.: **Implemented**

2. Each department should form industrial of board having repartition form each major section of employs. Regularly meeting and implementation of suggestion for enrichment of curriculum:  
**Board Formed by few departments & remaining are in process**

3. It is observed that few programs at PG level has low enrolment ratio.

The Programs should be restructuring in collaboration with industry/ cluster of industry. The revised program should have course work teaching by at least 60% by industrial experts and all dissertation work at industrial project only. It is necessary to work out- financial model with collaborative industry. : **In Process**
